REST OF PRESIDENT'S TOUR CANCELLED

**Dr. Cary Grayson, His Personal
Physician Gives Illness and
Physical Exhaustion
As Cause**

(By Associated Press)

Wichita, Kansas, Sept. 26—Bulletin—President Wilson today cancelled the remainder of his tour under orders from Admiral Cary Grayson, the president's physician, and will return to Washington direct from Wichita. Admiral Grayson gave illness and physical exhaustion as the reason for his action.

Although there is nothing critical about the President's condition, Dr. Grayson declared a nervous reaction affecting his digestive organs made a suspension of his trip imperative.

The President was ill most of the night and the decision to return at once to the capital was reached just before the train arrived at Wichita.

The President wanted to continue his speaking program but Dr. Grayson would not permit it and the President's address which was to have been delivered at the Forum building this morning was cancelled.

The presidential train did not pull into the station here where a large crowd was awaiting him, although he wanted to at least greet the people. Dr. Grayson would not permit him to leave his private car.

Details of the President's indisposition were not revealed but it is indicated he had a slight touch of indigestion which Dr. Grayson thought would pass away quickly if the President remained in bed.

Secretary Tumulty issued a statement saying "the President has exerted himself so constantly and has been under such a strain during the last month and has so spent himself without reserve on this trip that it has brought on a nervous reaction in his digestive organs."

The presidential special will return by way of Kansas City and St. Louis, reaching Washington Sunday morning. The President appeared to be standing travel well but it became known today he had been suffering for several days from a headache. He has made nearly 40 speeches since leaving Washington September 3rd, and had five yet to make, including one in Louisville next Monday.

Thought Little Children Needed Mother's Care

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A cousin in California wrote me about May's Wonderful Remedy and I took a course of it. I have since been 'wired' well." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Now Is a Good Time To Drive Out Catarrh

The Trouble Is In The Blood. Summer catarrh, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter. That's why it is so important to treat catarrh and other blood disorders with S. S. S. during warm weather, and thus free the system

DEVELOPMENTS MAY COME IN BIG STRIKE

(By Associated Press)

All definite news indicated no important change in the steel strike but three important developments are pending, any one of which may have an important bearing on the outcome of the great industrial struggle. In Pittsburgh the steel workers' committee was to meet and arrive at a definite decision on calling out 40,000 workers in the Bethlehem plants. In Youngstown unskilled and semi-skilled workers were to meet and discuss the question of returning to work. At Cleveland shipping union officials were to meet and decide on a sympathetic strike of 18,000 seamen, engineers and men of allied trades.

WILL TELL WILSON COMPROMISE SEEMS TO BE NECESSARY

(By Associated Press)

Washington, Sept. 26—After President Wilson's return to Washington, democratic Senate leaders plan to seek an early conference to discuss a possible compromise over reservations. Some prominent democratic Senators today said they planned to advise the President to carefully consider some sort of reservations, imperative in character, at least. These men are convinced the treaty cannot be ratified without reservations of some character.

Servants Arrested In Cooper Murder Mystery

(By Associated Press)

Nashville, Sept. 27—Dennis Metcalf, a gardener, and Noah Jones, a negro maid, both employed at the home of Robin Cooper, were arrested today in connection with Cooper's death August 28th. Twenty-eight warrants were sworn out by Gabria Hansen, a Memphis detective.

SOMETHING REAL

Did you know that there was a tire being sold in town that was giving absolute satisfaction.

A great many of these tires have already been sold. Not one has ever been returned to the seller with a complaint.

A good percent of them have already gone over their mileage which is 5000 fabric, 8000 for cords.

Ask someone who is using some of these tires and then come and buy a set of McGRAW TIRES for sale by SANDLIN SUPPLY CO., Soper Block. 254-1

Have Housed Dandy Little Crop

Madison has a lot of awful sweet looking tobacco ready for the fall markets, but Glass and Gordon have just finished housing what experts say is the best 14-acre tract of weed in this section. The crop was raised on the Willis Hise farm on Big Hill pike and has been housed at the Home Warehouse. E. W. Glass, local buyer for the Liggett & Myers Tobacco Company, is considered one of the best judges of tobacco in the state.

Now Is a Good Time To Drive Out Catarrh

It is now an established fact that catarrh is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the very root of the trouble and eliminates it. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Advisor about your case. Address Swift Specific Co., Dept. 53, Atlanta, Ga.

SUCCESSFUL SALE OF PAINT LICK FARM

Swinebroad, the Lancaster sale king, scored another success Thursday in the sale of the Hendren and Woods farm of 435 acres near Paint Lick. Bolivar Bond cried the sale. The farm was disposed of in two tracts. One tract of 140 acres was bought by Guy and Jack Duerson at \$200 an acre and the other tract of 295 acres was bought by Rice Woods at \$144 an acre. This land is fine tobacco land and the sale proved very satisfactory. As an instance of the remarkable appreciation in prices and values of land in Kentucky within the past decade an old-timer recalled today that a number of years ago, some of this same land sold under court decree at \$27 an acre.

Important Meeting Of American Legion

The Madison county post of the American Legion will hold its second meeting and probably its most important meeting of its career at the court house Monday, September 29th, at 7:30 o'clock. On that night it will be definitely decided that Madison county like other counties in the state will have an up-to-date, live and wide-awake post of the legion. Every ex-soldier, sailor and marine should see to it that he is present at that meeting whether he is a member of the legion or not.

The American Legion is the national civilian organization of ex-service men and women. It is non-partisan, non-political, and non-sectarian, knowing no distinction of rank or service. All former enlisted men and former officers, former overseas men and former national service men, who served in the United States are welcome with the American Legion with the plain American title "MR."

Our country, not ourselves; policies, not politics.

Services Sunday morning at 11 o'clock. Evening services at 8 o'clock. Revival meetings, preaching by Rev. John T. Hatfield, the Hoosier Evangelist. Two services a day, through the week. Everybody are cordially invited.

SAYS NEIGHBORS GIVEN SURPRISE BY THE CHANGE

Owensboro, Ky., Sept. 25—

"My neighbors who knew the condition I was in, before I began taking Trutona, are surprised to see me working again," Mrs. Fannie Grundy, well known Owensboro woman of 616 Triplett street, said recently. "I'm certainly grateful for this new tonic, for it has given me more relief than any other medicine I've ever taken—and I've tried most all of them," she added.

"I had been troubled with ulceration of the stomach for the past 20 years. My bowels were in very bad condition. I would be severely constipated for three days at a time and then when I'd take some harsh laxative I'd have a hard time to check the bowel action. Naturally I became very weak."

"I had been bedfast for six weeks before I began taking Trutona. You can imagine my surprise, when, at the end of the first week's treatment I was able to get out of bed and began to do my housework again. I'm eating food now that I haven't dared to touch in the past two years. Why, I can even eat corn bread now and that's one food that used to make me very sick. I have never before given a testimonial for any medicine, but I feel that the public should know of the wonderful relief I've gained from a one-dollar bottle of Trutona."

Trutona is now being introduced and explained at H. L. Perry & Son's. It

TWO POOSEY FARMS GO AT TOP FIGURES

Two more Madison county farms sold at top prices Wednesday. Col. Jas. H. Pearson went down to the Poosey section and sold the Mrs. C. C. Sanders place of 48 acres to Stewart Sanders at \$325 an acre. He then sold for Allen Taylor, in the same community, his nice little farm of 46 acres to Allie Sanders, at \$272.71 an acre. And these places are some miles distance from Richmond, too.

Col. Pearson was in Somerset early in the week, selling some lots and farms for the Elkins and Walker Company. The sale was a big success, as is every sale with which he is connected.

FIRST COUNTY SEAT SITE SOLD AT \$125

The site of the first county seat in Madison county "Oldtown", or as it was called in the early days "New Milford", was sold this week by Wm. Parrish to three colored farmers of that section, at \$125 an acre. There are said to be right at 100 acres in the tract. The stone foundations of the old house which were built on the original county seat of Madison are still to be found on the place. This land has increased in value wonderfully, along with other land all over Kentucky. It was recalled that it was bought probably a quarter of a century ago at \$22 an acre.

DANVILLE GIRL VICTIM OF HER OWN REVOLVER

The cancellation of the dance at Danville tonight was caused by the untimely and accidental death of Miss Louise Nichols, the popular 16-year-old daughter of County Clerk John B. Nichols, of Boyle county. In some way, Miss Nichols shot herself to death at her home in Danville. She was known to many here, who regretted to learn of her untimely end. She died at 1:30 o'clock Thursday morning from a bullet wound under the heart.

It is generally believed that a pistol which Miss Nichols had kept in her room because of a recent burglar scare was accidentally discharged. She was found lying on her bed shortly after 6 o'clock Wednesday evening by her mother.

"I am dying mother," were the only words she uttered before losing consciousness.

Miss Nichols had been alone at home during the afternoon. She had made a box of candy for a friend, L. Broadus, of Louisville, student at Centre College. She was dressing to attend a party when she was shot. It is believed that in placing the box of candy on the dresser she knocked the revolver off the dresser and that it was discharged when it struck the floor. Miss Nichols was a student at the Kentucky College in Danville.

TOLD IN RICHMOND

A Resident Known To All Our Readers Relates An Experience

Readers of the Register have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Richmond cases, told by Richmond people.

H. C. Brewer, grocer, Big Hill ave., Richmond, says: "I have used Doan's Kidney Pills at different times when my kidneys have been out of order and I know they are a good remedy. My back ached and I had soreness in my kidneys and it hurt me to stoop. My kidneys acted irregularly, especially if I caught cold. Doan's Kidney Pills have never failed to relieve the trouble and strengthen my food."

AUTO ACCIDENT ON MAIN STREET

A. M. Canfield, of Berea, who drives a taxi car between that city and Richmond, smashed into 12-year-old Marion Kunkle, on his bicycle, and then swerved and wrecked Mrs. J. C. Bronston's buggy, on West Main street between Second and Third Wednesday afternoon, when the accelerator on his King-8 car got stuck. The Kunkle boy's bicycle was wrecked and many feared that the youngster had been killed, but he made an almost miraculous escape and outside of a few bruises is uninjured. Mrs. Bronston was badly bruised by the injury to her buggy, one wheel of which was torn off and other injuries sustained.

Mr. Canfield, was arrested on a charge of reckless driving and tried in police court Thursday afternoon, where he was dismissed by Judge Smith after a full investigation of the matter.

He said he had drive into the parking space in the middle of the street, and when the people with him were ready to go, he endeavored to back out and go down the right side of the street. However, a line of buggies was behind him, so he threw the car into low gear again, to get back in the line of cars. He says that the car suddenly shot forward, out of control. He struck the Kunkle boy with his fender, and turned the car to the right as quickly as he could, broke his emergency brake, but could not stop the car until after it had crashed into Mrs. Bronston's buggy.

The accident might have been serious one, but luckily outside of the wrecked bicycle and buggy little other damage was done outside of the bruises that young Kunkle and Mrs. Bronston sustained.

Almost Lost Car From Fire

Dr. J. H. Jeffries' touring car came near annihilation from fire the other evening at the corner of Main and Second street. The gasoline tank became leaky and someone threw a match near it. A blaze quickly threatened the machine, and considerable damage was done before a chemical engine from the fire department put out the blaze.

FOSTER SPEAKS HREE SATURDAY

**Joe P. Chenault Named Democratic Campaign Chairman
And Black's Friends
Will Get Busy**

L. E. Foster, Democratic candidate for State Superintendent of Public Instruction, will speak at the courthouse Saturday afternoon at 2 o'clock. Mr. Foster comes primarily to address the teachers of Madison county, but the meeting is open to all and a great many citizens and taxpayers will be glad to have this opportunity of seeing and hearing the man whom the Democracy of Kentucky presents as its candidate for head of the state's school system. Foster is a splendid speaker and a live wire and has made a fine impression wherever he has visited.

Hon. Joe P. Chenault has been named as Democratic Campaign Chairman for Madison county, and he will begin immediately to organize his campaign committee. An active worker will be named in every precinct of the county, and every effort will be made to carry old Madison for "Uncle Jimmy" Black. Gov. Black is very strong in Madison; the people believe in his honesty and integrity, and the only thing that seems to be necessary is to arouse his friends to the necessity of getting out and going to the polls.

Gompers Before Committee

Washington, Sept. 26—After hearing Samuel Gompers, president of the American Federation of Labor, the Senate committee investigating the steel strike, today abandoned its plan to examine William C. Foster, secretary of the steel workers committee, who was attacked in the House of Representatives as a radical and I. W. W. Chairman Kenyon announced the inquiry will not be resumed until next Wednesday when Chairman Gary, of the steel corporation, will be heard. Kenyon gave no reason for not hearing Foster tomorrow.

IN COUNTY COURT

Oscar Ray, a Garrard county farmer, who owns some land in the Paint Lick section of Madison was dismissed in county court Friday morning on a charge of building a fence across a county road, thereby obstructing it. He said that he did not know he was violating any law, and would remove the obstruction.

Upon complaint of his mother, Mrs. Bettie Irvine, Willie Irvine was fined \$10 and given 10 days in jail by Judge Price on a breach of the peace charge. The young man, who is just 21 years of age, was out on \$100 bond but did not appear in court when his case was called, and was tried by a jury in his absence. His mother testified that he has been giving her a great deal of trouble.

Sallie Hill, a colored woman, was fined \$5 and costs on a charge of failing to send her child to school. She promised to have the youngster in school at once.
